

COURSE INSTRUCTOR:

**Susan Wade,**  
MSN, RN, CPN, CCRN

Susan is dedicated to preparing pediatric critical care nurses to sit for the Pediatric CCRN Exam. She is an expert in pediatric critical care nursing, speaker, and author. Susan has dedicated most of her nursing career to Pediatric Critical Care. She maintains an active clinical practice as a Pediatric Clinical Nurse Specialist in a trauma center. She is an authority on the Pediatric CCRN Exam and review process. Susan presents her 2-day Pediatric CCRN Review Course onsite at hospitals and at regional review courses across the country.

# Pediatric CCRN Review Course

2-day course

7:30 - 8:00 a.m. — Registration

8:00 a.m. - 4:00 p.m. — Course Instruction

## Prepare your pediatric critical care nurses today to become certified!

This program provides a comprehensive and up-to-date review of pediatric critical care nursing care based on the Pediatric CCRN Exam content outline. Participants receive information that will not only promote certification exam success, but will also enhance clinical nursing practice.

### Contact Hours: 13 About Contact Hours:

#### About Contact Hours:

Provider approved by the California Board of Registered Nursing (provider #15118) and the Florida Board of Nursing (provider #50-9679).

This continuing education activity was approved by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

## 2-DAY COURSE OVERVIEW:

The onsite Pediatric CCRN Review Course is a hospital-sponsored format of this popular course designed for organizations that wish to provide certification review to a group of 25 – 50 nurses at one time. The hospital contracts with Nurse Builders to provide the Pediatric CCRN Review Course. The hospital provides the location and facilitates the registration process. Nurse Builders provides the onsite instructor, all course materials, registration sheets and contact hour certificates for all of your nurse participants.

## COURSE OBJECTIVES:

- Review and enhance test taking skills
- Decrease anxiety related to the Pediatric CCRN exam
- Identify content outline for the Pediatric CCRN exam
- Identify resources for Pediatric CCRN Exam preparation
- Identify typical presentation as well as management of pediatric critical care situations
- Enhance nursing care of critically ill infants and children
