- Behavioral/Mental Health Conditions

Prepare your nurses today to become certified

Dr. Louise Jakubik will guide the participants through the pediatric nursing certification exam review and preparation process and will provide practical tips for studying and test taking success. This course includes test taking strategies for success and a thorough pediatric nursing content review. The course is based on the book "Pediatric Nursing Certification Review, 3rd Edition" co-authored by Jakubik (2014) and the exam content outlines for CPN published by the Pediatric Nursing Certification Board (PNCB) and the Pediatric Nurse Exam (RN-BC) published by the American Nurses Credentialing Center (ANCC).
