Pediatric Nursing Certification Review Course

Dr. Louise Jakubik will guide the participants through the pediatric nursing certification exam review and preparation process and will provide practical tips for studying and test taking success. This conference includes test taking strategies for success and a thorough pediatric nursing content review. The course is based on the book "Pediatric Nursing Certification Review, 2nd Edition" co-authored by Jakubik (2012) and the exam content outlines for WCPN published by the Pediatric Nursing Certification Board (PNCB) and the Pediatric Nurse Exam (RN-BC) published by the American Nurses Credentialing Center (ANCC). This course is for nurses working in a pediatric care setting preparing to take the Certified Pediatric Nurse examination.

Learning Objectives

Upon completion of this program, participants should be able to:

- Identify resources for use in preparing for taking a pediatric nursing certification exam.
- Utilize strategies to promote pediatric nursing certification exam success.
- Verbalize increased confidence in ability to pass a pediatric nursing certification exam.
- Recall information that will enhance individual nursing practice.

Faculty

Louise D. Jakubik, PhD, RN-BC

Dr. Louise Jakubik has helped thousands of nurses become certified as pediatric nurses. She is a pediatric nursing expert, speaker, and author. Her publications include the first book ever designed to prepare pediatric nurses for the pediatric nursing certification exam, entitled "Pediatric Nursing Certification Review." Certification Exam Information & Requirements

Two organizations offer a pediatric nurse certification: **Pediatric Certification Board (PNCB)** and **American Nurses Credentialing Center (ANCC)**. The PNCB website (www.pncb.org) and ANCC website (www.nursecredentialing.org) provide information, requirements and application information for each pediatric nurse certification exam.

Exam Eligibility Criteria:

The following requirements must be completed prior to application for the pediatric nurse certification examinations:

- Current, unrestricted RN license or nursing certificate that is equivalent to a RN in the United States. (ANCC & PNCB)
- Practiced the equivalent of two years full time as a registered nurse. (ANCC)
- Minimum of 2,000 hours of clinical practice in the specialty of pediatric nursing within the last three years. (ANCC)
- Minimum of 1,800 hours of pediatric clinical practice within the past 24 month period as a RN in a pediatric nursing specialty. (PNCB)
- Completed 30 hours of continuing education in pediatric nursing within the last three years. (ANCC)

Both the PNCB and ANCC pediatric nurse certification exams are computer-based. Applicants will have 90 days to test upon notification of acceptance. Testing information can be found on the PNCB and ANCC websites and at www.prometric.com.

Exam Fees:

PNCB: \$295
